++ Valid for broadcast between 1800 and 0600

Headline:
Another chilly night, staying breezy in the west.

This Evening and Tonight:
This evening, skies remain cloudy in the far west but clear elsewhere, allowing for another chilly night for most, though remaining dry and fine. A few patches of morning frost for some. Remaining breezy, primarily across Devon and Cornwall. Minimum temperature 1 deg C (34 deg F).

Sunday:
With another chilly start, cloud clears the region before dawn, allowing for bright skies, and dry, fine conditions throughout. Feeling warm, but staying windy in western areas. Maximum temperature 15 deg C (59 deg F).

Outlook for Monday to Wednesday:
Dry and fine on Monday, but turning cloudy on Tuesday, with showers approaching in the afternoon. Drier on Wednesday. Initially warm but turning cooler with a continued overnight frost risk.
